OUR STORY

It's not clear if Daphne found Tulbagh or Tulbagh found Daphne. Either way, Daphne's long-held dream to open a restaurant was realised in June 2022.

Opened in one of the finest Heritage Homes on the finest Heritage Street in South Africa, Daphne's offers the best mountain views of any establishment in Tulbagh from the North Terrace, as well as intimate indoor dining when weather demands.

Our philosophy centres around equality, compassion, fairness and opportunity.

Daphne's offers opportunity to the wider community with our commitment to our team, who are now part of the Daphne family.

We donate at least 25% of profits to community and youth upliftment projects in Tulbagh

We hope that you enjoy the whole Daphne experience, are grateful for your patronage and look forward to welcoming you back to our family.
